THE RUMP LESS TRAVELLED - EVERY MONTH

At Whitmuir we love our animals and are happy to show you how we look after them. By working to the highest organic standards of animal welfare, we aim to produce the very best meat we can. Our traditional breeds of cattle, pig and sheep are born and reared here or on organic farms we trust. All our beef is grass fed and finished and hung for at least 3 weeks. Everything is butchered here.

If you want to buy meat you can trust - why not sign up for a monthly meat selection and save some money. **Deliveries free to farm supporters.**
